### HAPPY NEW YEAR TO YOU ALL!

#### December 4, 2012 Meeting

We opened the meeting for general discussion then settled down to enjoy our luncheon. After lunch we played the game of greed we all had a great time and went home with a nice gift. My back scratcher has gotten plenty of use since then. Thanks to Judy for bringing the turkey for the main course and to the rest of you for all of the wonderful side dishes

#### MEETING, January 8 , 2013

The meeting time has also been changed to 12 noon till 3:00P.M. Next month we will return to our regular first Tuesday 10:00A.M. meeting.

We do not have a speaker for this meeting, but would like you to let us know what kind of speakers you would like to address our group this year, so bring some ideas to the next meeting.

We will also be voting for this year's officers at this meeting. Those that have been Nominated are as follows: President, Joe Fleischman, Vice President and Secretary Barbara Pollard, Treasurer Sue Costa, Membership Roster Judy Axtman, Refreshment Coordinator, Evelyn Rapetti, Hospitality and Historian, Mona and Dave Harris, Sergeant at Arms, Vera Bogosian, Publicity, Barbara Pollard, and Newsletter, Library, Room set up, Joe Fleischman. We still need someone to be the Program Coordinator for speakers.

Shirley and I will not be able to make this meeting because we have an appointment with Dr. B. in Sunnyvale at 2:00P.M.

I had planned to include pictures of the events of this year in this newsletter but my computer has been giving me problems the last couple of months and while trying to correct the problems I lost everything. When I started up to write this it told that the hard drive is about to crash so I hope I can finish it and send it too.

This month's refreshments are brought to you by Ray and Kathy Azevedo.

SAN ANDREAS MOVERS & SHAKERS...it's not OUR fault!!

### **Group News**

Thanks to all of you who used your share cards this year it has helped us to continue our meetings and make our trip the Parkinson's Institute

The Stanford School of Medicine is looking for people with Parkinsonism, Parkinson's disease, multiple System Atrophy, and Progressive Supranuclear Palsy for a Parkinsonism Imaging Study. If you are interested I still have some flyers for you at the meeting on Tuesday.

**Ray Lease** has moved to Southern California where he is closer to his sister. We will miss you Roy but you are in good hands with your sister.

**J.R. Hunt** has moved to San Andreas and plans on attending our next meeting. It's great your coming back JR.

**Sarah Johnson** foot is still giving her trouble and has suffered some nerve damage from her last operation.

**Marcy Crawford** was diagnosed with breast cancer and has had her first kemo treatment

We hope you are recovering well, and wish you a speedy recovery; we look forward to seeing you back at the meetings soon. Until then we will keep you in our thoughts and prayers.
