### November 5, 2013 Meeting

We opened the meeting with nomination for officers and committee members. The current officers and committeemen were nominated and agreed to continue on in their positions. We will have our vote by affirmation at the December meeting.

Next we planned the annual Christmas Party. WE will have for our main course a turkey cooked by Judy with the assistance of Jack. Everyone else brings a side dish to go along with the turkey. A sign up list was passed around to sign up for the dish you would bring so Evelyn could plan the meal. We will also play the game of greed for our gift exchange, so if you want to play in the gift exchange bring a small gift not to exceed \$20.00 that can be used by either a man or woman. Evelyn has a nice party planned for us again this year.

After the business was taken care of we broke up into groups with the PWP's going with Janet Laird as their leader and the caregivers went with Peter Carrillo who was their leader. I found the information and insights presented by Mr. Carrillo very interesting and helpful and would enjoy having him back again. Shirley enjoyed her session with Janet; she found it lively and enjoyable and I got another piece of art by Shirley to place on our refrigerator door.

The San Andreas Movers and Shakers wish to thank Janet Laird and Peter Carrillo for working with us and making the day a useful and enjoyable experience.

Thanks also to Evelyn and Judy for delivering the refreshments and setting up for Sue.

This month's refreshments are brought to you by all of us. We look forward to seeing all of you there at the Christmas Party.

### **The Nutrition Corner:**

Alas! I have nothing for the Nutrition corner this month. It has been a busy November and I have been away from the computer for a while working on things outside the house that need to be done before the rain and snow come this winter.

So we wish you all a Merry Christmas and the best New Year that 2014 can give you.
