MEETING, Tuesday, February 3, 2015

We did not have a speaker for this meeting so we had a round table discussion. **Joe** told the group that he had gotten an email from **Judy** stating that **Stan's** condition had worsen and she had to put him in a care facility. **Sharon** demonstrated Jim's new walker that has some special features that have helped Jim in preventing him from falling. We welcomed **Ted Allured** who lives in San Andreas into the group during the meeting. Some people said they were not getting their newsletter via email. **Joe** will check into why that is not happening. We are trying to get some guest speakers and are working on a pharmacist and a speech therapist now. If you know of anyone who you would like to have as a speaker please let us know.

Next Meeting Date: Tuesday March 3, 2015

We do not have a speaker again this month so we will have another round table discussion.

Thanks to **Joe and Shirley** for bringing the refreshments last month.

This month's refreshments are brought to you by **Loretta and Ray**.

We look forward to seeing all of you at the March meeting.

Member News

I am saddened to have to report to the group that **Stan Venckus** passed away on February 9, 2015. The Trident Society performed his cremation. It was Stan's wish not to have a service or memorial.

You may all remember that Stan was the man who loved to brew up specialty coffee and bring it to our meeting on occasions.

Judy said that "Since November his journey has been extremely difficult. It is a gift that it has come to a calm, peaceful end". Since November his journey has been extremely difficult. It is a gift that it has come to a calm, peaceful end.

We send our sincerest condolences to Judy and Stan's family. May you rest in peace Stan.
